

## **ANNUAL REPORT 2025-26**

The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education

### **My hearty welcome to one and all for responding to our invitation gracing the occasion**

I begin with my extreme respect and devotion to the consecrated personality who made an immaculate atmosphere here. Respected chief guest Rajendra Bhat K, Respected president of the function shri Basavaraj M Dhupalapur, respected Secretary and the management of this school Shri Vivek R Dhupalapur, The Director, Smt. Kavita V Dhupalapur, the distinguished guest of honours, dear parents, teachers and my dear students, I Dr. Joy Sebastian standing here on the ANNUAL SOCIAL GATHERING of our school and college to present the annual report for the academic year 2025-26.

### **LET ME BEGIN WITH THE ACADEMIC EXCELLENCE OF OUR INSTITUTION**

Dhupalapur Vidya Vihar School is affiliated to the CBSE Board from last academic session. The first batch appeared for the board exam and brought glory to the school with 100% of the result in the first attempt. It was a big achievement as the beginner under central board of secondary education.

### **NOW I WILL GIVE AN IDEA ABOUT THE INTERNAL STRUCTURE OF OUR SCHOOL**

The school consist 300 students and 25 teaching staffs from Kerala and Karnataka. We have around 15 non teaching staffs working harmoniously as a family for the benefit of the children and the institution. From this academic session we have 6 teachers from Kerala for the subjects of Science, English and Social Science. Dhupalapur Vidya Vihar School is well known in surroundings for its hygienic and holistic atmosphere for a student to develop in their career of studies and maintain a good health. The atmosphere around the school is totally pollution free for the physical and mental growth of the child.

We deputed different committees since the beginning of this academic session, such as

### **1. Language committee**

We give more importance for the spoken language. Therefore the language committee was made that helps to polish the English-speaking skills of our children.

### **2. Discipline committee**

The committee that dedicated cent percent to maintain discipline in the entire campus and that is actually made our children the manners and behaviour.

### **3. Sports committee**

Study alone cannot help the overall growth of the child. Therefore, we promote different sports activities in the campus to promote a balanced growth of the child. So, we have the sports committee that supports our children so efficient in several sports items.

### **4. Cultural committee**

Everyone is born with different talents that is to be recognised and developed. Therefore we have cultural committee which helps to organise events and activities that showcase the diverse cultural background of the students.

### **5. School curriculum committee**

The committee helps incorporate cultural components into the curriculum making, learning more engaging, relevant and meaningful. This committee looks after all the matters of academic curriculum mainly conducting all the examinations timely.

The group works of these committees has brought success and greatness to this institution.

## **NOW I WILL GO THROUGH THE PROGRAMMES AND ACTIVITIES HELD OUTSIDE OF THE CAMPUS**

An institution should find the extra talents of the children by anyways and promote them to show and demonstrate it on the stage where they get more appreciation and encouragement

To promote better understanding good discipline and good health as a part of good education we promote and take part in many programmes like art, cultural activities sports and games outside of the campus

### **Independence Day**

In this academic year as a part of the Independence Day celebration we were the centre of attraction of our nearby areas. As part celebration, our students had presented the cultural programmes outside places like Dhavaleshwar and Belagali. It was well appreciated by the Govt. officials and the public.

### **Sports Meet at Sannidhi School, Jamakhandi**

To promote the spirit of sports, the students of our school participated CBSE Sports Meet, conducted at Sannidhi School. 48 students of our school participated in various sports events. Everyone appreciated the behaviour of our students out of our campus.

### **Shreyas 2 Inter-school Competitions at KJ Somaiyya**

Our school children participated in different cultural activities in KJ Somaiyya School Sameerwadi and everyone was in high appreciation regarding the conversational language and the English Skit that they performed.

### **Dussehra Programme at Banashankari Temple**

Our school children had performed drama and dance programme on the Dasara Celebration before thousands of audiences to promote the spiritual and cultural need of today's society. It was being well appreciated by everyone. The moral lesson that is being given through this programme is memorable for the people of this locality.

## **NOW LET ME MAKE YOU CONSIDER THE EDUCATIONAL TOUR PROGRAMMES CONDUCTED BY OUR SCHOOL**

Educational tour is a life long memory for every child. Its not just a memory alone but it free the mind of the child from his academic heaviness to a relaxed mind. This academic session 25-26, Dhapalapur Vidya Vihar school had taken the educational tour for the KG section to Hukkeri and the students from standard 1-10 to National Park Kittur Rani Chennamma and water park at Belgavi. Almost all the students participated for the one-day trip.

## **NOW LET US TAKE A LOOK INTO THE ACTIVITIES INSIDE THE CAMPUS**

Good character is not formed in a week or a month. It is generated step by step, day by day. Patient effort is needed to develop it. The character is developed only by taking parts in different social and cultural activities of the society.

Therefore to develop good character in every child we celebrate all the festivals, important days, cultural and talent based competitions in our school.

### **Competitive exams**

Looking at the future career of the child, from this academic session we have introduced the competitive exams from classes 4-9 with the same rules and regulations of CET and NEET exams in the subjects of Science, Maths and English. Every week one exam is conducted out of 200 marks and in each round the prices are been awarded to the students who secure above 70% of the total marks. This has made the competitive spirit among the students.

### **Critical and Creative Writing**

This academic session we have started critical and creative writing exams in the subjects of English, Science, Maths and Social Science. This exam develops the mind of the students to analyse and apply the subjects that are taught in classrooms. After each round of 200 marks the top students are been awarded.

## **Maths Exhibition**

To showcase the talents in the subject of mathematics we had organised Maths Exhibition from standard 1-9 and most students with the support of their parents presented their models and explained before the judges. The prizes were awarded for each classes.

## **Motivational and spiritual Talks**

We also promote contrasting motivational and encouraging talks from renowned personalities like famous spiritual heads from Ramkrishna Mission and qualified trained motivators.

## **CBSE Training conducted**

CBSE Training was conducted for two days for all the teachers of our school along with the teachers of nearby 5 CBSE schools. We keep a good relations with the CBSE BOARD and they have high appreciation on our school which follows all the rules and regulations of the board.

## **NOW LET ME KNOW YOU ABOUT THE ANNUAL SPORTS DAY CONDUCTED IN OUR SCHOOL**

The sports day at the school was an exciting event that promoted physical fitness, teamwork and sportsmanship among students. The event held on the month of November 28<sup>th</sup> and 29<sup>th</sup> and we divide the students into houses that compete against each other. We realised sports day is not just about winning or losing, but also about having fun, building camaraderie, and developing important life skills like discipline, hard work and perseverance. All the students participated for the different events and gained medals for their memories in life. It was really fantastic days for our students.

**AS I CONCLUDE** this short annual report of our school, I am sure that every one of you are aware of our value based education. As we reflect on the past year, we are proud of the progress we have made and the achievements of our students and staffs. We are grateful for the support of our parents, alumni and the wider community.

We thank every members of the management committee and staffs for the harmonious works and inspiration to the society by promoting new and innovative modern education system.

We promise that we may continue to strive for excellence, to strive for excellence to nurture the hearts and minds of our students and to make positive impact on our community.

Thank you
